EMPOWERMENT SEMINARS

TRANSFORM TO BUILD, BUILD TO TRANSFORM

Proposed by: Catalyst Consulting

SEMINAR ONE

Developing the Asset-Thinking Mindset

What is wrong? What is strong?

The constant cry is, "We don't have money; we don't have equipment." While that complaint is often legitimate, have you considered what you already have? Learn how to leverage what you have in your community to solve problems.

Contextual Leader

To facilitate the change you desire, you must be the change agent. Learn how to lead, follow and connect with others in your given context.

"We cannot solve our problems with the same thinking we used when we created them."

Albert Einstein

THE BENEFITS?

- All training resources will be provided.
- Session lasts for 3 hours.
- Free coaching session for qualifiers.
- Catalyst Consulting will assist in asset mapping exercises.
- Expert interviews from transformational leaders - local and international
- Ongoing contact with trainers and coaches

THE OUTCOMES?

- Guided visits within the chosen community for asset mapping
- New connections with citizens/groups using sample questions
- Production of Asset Map of the area & determining how a constituency can work towards a solution for present concerns

SEMINAR THREE

The Councillor - A Collaborator

Confusion, challenges, and concerns within the NDC are at many levels. You cannot do it all on your own! Learn how to build collaboration within the NDC staff, fellow councillors, and the wider community. Build relationships with other agencies connected to the NDC as well.

The NDC Councillor - A Holistic Leader

Make your community flourish economically and socially. Bring healing and reconciliation. Seek innovative solutions. Start the process.

"Social renewal: reconciling diverse people, seeking innovative solutions, promoting equity and engaging all sectors."
